Edelweiss – Moisturing cream 50 ml organic certified.
Artikelnummer : Art.Nr.40200
Hersteller : Bergila
<p>Edelweiss – Moisturing cream organic certified</p> <p>Edelweiss is one of the most precious and noblest plants in the Alps. In its natural environment it is exposed to extreme variations in temperature and high UV radiation. In order to defy these difficult climatic circumstances, the plant has developed effective protective agents which can be effectively used for skin care and protection.</p> <p>The plant contains effective anti-oxidants and cell protection properties that preserve the natural layer protection of the skin and neutralizes free radicals. This wonderful plant does not only help to protect skin against damaging environmental influences, but it also maintains skin youthful looking and smooth, thus defying the ageing process.</p> <p>Ideal day and night cream , based on flavanoids derived from natural plant extracts and pure high quality oil. The cream gives your skin an instant feeling of softness and smoothness.</p> <p>Application:</p> <p>Skin Type: suitable for all skin types</p> <p>Effects: moisturizing, protects against free radicals and therefore defies skin's ageing process. It maintains skin youthful, elastic and preserves its natural beauty.</p> <p>Areas of application: : face, neck, cleavage</p> <p>Properties: : intensive skin care with extracts derived from certified organic edelweiss plants and pure highest quality plant oils.</p> <p>Application: Apply Edelweiss moisturizing cream in the morning and/or in the evening on cleansed skin (face, neck, cleavage) and massage smoothly. Measure the quantity according to effective skin absorption.</p> <p>The practical dispenser provides for right dosage and protection from external influences.</p>
